

How are members empowered by CardNav?

Soon after a CardNavSM by CO-OP launch, new users were invited to share their experiences. These member comments attest to CardNav's ability to give your credit union an empowering, fraud-fighting way to differentiate your cards.

"I tell everyone I care about to use this app!"

"This app helped me keep up with my transactions and it also helped me *keep track of my budget!*"

"The feeling of control is reinforced each time I receive a notification."

"You can pretty much do everything you need to do *from your cell phone* instead of calling or going to the bank in person."

"CardNav is the most useful app I have on my phone."

"I woke up to find two charges that had been denied by this WONDERFUL APP! Someone had tried to use my card on PayPal and on another Internet website."

"I had left my debit card at the restaurant and picked it up the next day. With this app I was able to disable and enable my debit card. **Didn't have to call and report or wait for another card."**

"I absolutely LOVE the fact that I can click on the app and see my money in the bank."

"Having this protection on my debit card has *saved my account from being charged \$600 in fraudulent charges.*"

"I LOVE this app!"

Introduce your members to CardNav by CO-OP, and start empowering them today.
